Producer / Post Producer – Freelance

For the past six years in Sydney (& two years previously in QLD) I have enjoyed working as a freelance Producer / Post Producer in the fast paced and deadline driven world of advertising and events. I've produced TVCs, online videos, corporate films, event videos, music videos, branded entertainment; on formats including Red, 5D, 7D, EX3, 35mm, 16mm, Digi Betacam. Post production experience organising freelance editors (FCP mainly), animators, motion graphics designers, VFX and sound design/mix.

My skills include: budgeting, crewing and managing pre-production / shooting / post production, client and agency liaison, account management, casting, interviewing, scripting.
